Good afternoon Mandie,

As a follow up to our call this afternoon, I have spoken with Toll and we are fine with the BOS continuing the pending conditional use hearing to 3/8/16 at 7PM. I understand that continuance will be placed on the record tonight. We will still appear before the PC on 1/26/16 to give it an update on plan refinement. Since the hearing has already commenced, I don't think you need any extension from me.

Thank you for checking in on this. Lou.
