Re: Conditional Use Application/415 Birmingham Road, West Chester

Dear Andy:

In accordance with my prior emails, this is to confirm that the November 7, 2019 hearing scheduled in the above mentioned matter will be continued until December 12, 2019, given that Supervisor Snook is not available on November 7th. My client is agreeable to waiving the time requirements set forth in the Municipalities Planning Code to permit the hearing to be held on December 12th.

Thank you for your attention to this matter.

Very truly yours,

DEBRA A. SHULSKI
