Re: Conditional Use Application/415 Birmingham Road, West Chester

Dear Andy:

This is to confirm that the Marshalls agree to an extension of time to permit the hearing currently scheduled for December 12, 2019 before the East Bradford Township Board of Supervisors to be continued and to be held on March 10, 2020. The Applicants agree to waive the applicable time requirements under the Pennsylvania Municipalities Planning Code to permit this extension of time.

Thank you for your attention to this matter.

Very truly yours,

DEBRA A. SHULSKI
