FROM: John Carroll, Director of Public Works

RE: 2019 Resurfacing Program: milling and resurfacing

East Bradford Township has contracted with Di Rocco Bros., Inc. to perform the milling and resurfacing project for the Township. We anticipate that work will start on Thursday, June 6, 2019 with all work being completed on or around June 19, 2019. The proposed work is weather sensitive and may be postponed if we have rain. The proposed schedule of work and locations may vary by day.

Please allow additional time when leaving or returning to your property. There may be delays and/or short term closures of these roads. The contractor will do their best to limit delays, but please prepared.

If you have any questions please feel free to contact me at 610-436-5108 ex 201.

Thank you for your cooperation and patience while these improvements are completed.

John P. Carroll

Director of Public Works
