

2017 Trail Blazer Run a Success!

Residents, neighbors and local businesses came out in force on June 8th to support East Bradford Township's public trails program at the 6th Annual Trail Blazer Run which took place at the lovely Paradise Farm Camps. Pleasant weather greeted 295 participants in addition to family and friends who came to cheer them on. Zach Miller took the first place male finisher prize for running the 5-mile course in 28:13 and Amanda Marie was the top overall female winner with a time of 32:45. Congratulations to both champions and all of the participants!

Over fifty volunteers helped staff the event and once again raised the bar by continuing to enhance the quality of the race and the participant experience. Thank you to our volunteers for doing an outstanding job!

In gratitude, the Township would like to recognize and express thanks to all of the many local businesses, residents and organizations who sponsored or donated goods and services to the event. Thank you to CCWA – Paradise Farm Camps for providing the venue, Victory Brewing Company for providing free beverages and hosting the post-race party, ACE Hardware of West Chester for providing water and race bags for participants, Brandywine Valley Heating & Air Conditioning, Riley

Riper Hollin & Colagreco, Brickhouse Environmental, In-Fleet Truck Service, and A.J. Blosenski, Inc. Trash & Recycling Service. Your generosity and support made the race possible! To all who were involved, thank you, and keep blazing on! ●

Valley Creek Road Closure

The Valley Creek Road bridge over Broad Run (between Sunset Hollow and Conner Roads) was damaged by a vehicular accident on the morning of July 21 and was immediately closed thereafter, pending an inspection of the bridge to determine the extent of the damages.

Unfortunately, while the inspection indicated that the damage caused by the accident was limited to the bridge railing and railing support system, it also indicated that the bridge foundation has been undermined by high water levels in Broad Run to the point where the bridge can no longer safely convey expected traffic loads.

As a result, the bridge will remain closed indefinitely while the Township gathers further information on the bridge so the Township can explore all potential alternatives for its future. During the bridge closure period, the Township is detouring traffic on Route 322 and Boot Road in both directions, with Valley Creek Road open to local traffic only. Signage has been placed directing motorists on the detour route as required. The Township understands the inconvenience that the closure may be causing some of its residents and asks that those impacted please exercise patience as the Township evaluates the complexities of its options moving forward. ●
